

As I write this piece for our winter 2024 newsletter, I find it hard to believe that 12 months have passed since I was preparing something last year. It has certainly been a busy time at C. E. Fuller & Co and if you have passed our premises in recent months, you will see that we have made a great deal of progress on our major refurbishment programme which will enhance the usual high level of care we offer to the local community.

November is traditionally a month for remembering those who have died within the church calendar and of course on Armistice Day we pay tribute to those who have lost their lives during conflict.

The C. E. Fuller & Co team have willingly given their time to attend local services of remembrance and Remembrance Day parades. We welcome this opportunity to join with our communities in reflection and remembrance and we hope that these important acts bring some comfort to those who may be feeling alone.

We believe it is important for us to support our local communities so people get to know us and feel a little more at ease when they are in need of our professional help.

Sean Martin
Head of Operations

Our Temporary Chapel of Rest

Our grateful thanks to our client families, our suppliers, and all who have helped and supported us this year.

*Marie, Ben,
Claire and Justin*

When in Soham

As well as offering a first class service to the bereaved, it is important to us to engage with our local community. This year we attended the town's annual Pumpkin Fair and we were delighted to be awarded certificates for our home grown pumpkins - not bad for a first attempt! We have also been getting involved with other community groups and we are pleased to share some of the photos we have taken this year.

We've really enjoyed growing our own pumpkins and sunflowers this year. We made no secret that this was our first year and none of us had grown them before, so to come 2nd and 3rd in two different categories really made our day! Well done to Justin our foreman for taking the lead on this little project, and of course to Marie and Claire who took an active role in research and development!

Oh so close!

Sian Jones was the winner of our "Guess the number of balls in the boot of the limousine" competition. Claire was pleased to present Sian with a chocolate bouquet. The total number of balls was 481. Sian's guess was 479.

Ely Fireworks

We had an enjoyable evening working with The Soham Staploe Rotary Club helping out at this year's Ely Fireworks display. The fireworks were amazing, and really lit up the night sky; with of course the magnificent backdrop of the lovely Cathedral.

We joined the people of Soham at the town's Remembrance Day Parade and laid a wreath in memory of the fallen.

Ben's Exam Success

Ben recently completed the Administration module of the Independent Funeral Directors College Certificate which takes him a step further towards his full professional qualification. Well done Ben.

If you feel we could support your local community event, or if we can help with any funeral-related matter, you are welcome to email us: enquiries@cefuller.co.uk or telephone 01353 720439.
